A better way to access your information and help the environment

Every year we are required to communicate information to shareholders, including annual reports, notices of meetings and other advices.

The *Corporations Legislation Amendment (Simpler Regulatory System) Act 2007* gives disclosing entities the ability to make the annual report available on a web site and provide hard copy annual reports only to those members who elect to receive them in that form subject to certain administrative requirements.

We will make the annual report available online and will notify you how to access the report when it becomes available. A printed version of the annual report will only be sent to shareholders electing to receive one by marking the relevant box below.

In addition, we are also offering you the opportunity to receive notification of your shareholder communications via email. We believe everyone benefits from electronic shareholder communication – shareholders receive prompt information and have the convenience and security of electronic delivery, there are significant cost savings, and our communications are environmentally friendly.
